

Hello Church,

As we prepare for “Virtual Church”, this is where you’ll find the sermon notes for the teaching of the day. The YouTube link will take you to the video of the teaching. These teachings will begin at 10:45 AM (pst) on Sunday Morning.

Please check out the video as Pastor Kevin shares some details of how we are going about this. If you are a regular part of our congregation, you will receive emails from Pastor Jeremy concerning details and updates. If you have not received those emails, please contact Jeremy as soon as possible to be added to the email list.

Also, you’ll notice the new category to the right “Covid-19, Virtual Church”. That’s where the teachings will be added as we move forward with this thing.

May the Lord Jesus use this to grow His church’s dependency on Him and Him alone.
