

Gay Day at Six Flags Over Texas September 18th, 2004

American Family Association Online
July 26, 2004

Note from Pastor Kevin: We need to be aware that Disneyland and Disneyworld also support the homosexual agenda, and have their own "Gay Days".

September 18 is the 9th Annual Gay Day at Six Flags Over Texas. This event has taken place for the last 8 years in a row and this is the 9th year. This event is sponsored by a homosexual newspaper called *The Dallas Voice* and advertised as "Gay Day at Six Flags," in established homosexual publications like *Texas Triangle*, *QTexas* and many highly trafficked websites. Due directly to this form of advertising, thousands of homosexuals attend this event from all over Texas. "Gay Day at Six Flags" takes place one day prior to the Gay Pride Parade in Oak Lawn which itself brings in tens of thousands of people. Many of the people in town for the Gay Pride Parade also attend "Gay Day at Six Flags."

When families attend Six Flags Over Texas on Saturday, September 18th, they will not be informed about "Gay Day at Six Flags," nor the thousands of homosexuals in attendance. It will be a total shock when they realize they are waiting in line for one hour at a time with flamboyant homosexuals embracing one another and kissing.

If you call Six Flags Over Texas and ask them if they are having Gay Day they will tell you "No, Six Flags does not sponsor a Gay Day," knowing that they allow the homosexual community to advertise the event as "Gay Day at Six Flags." They still will not tell you. Therefore, Six Flags Over Texas is willingly allowing families and children to be exposed to homosexual activities without giving them any warning.

Families and children have the right and deserve to know about "Gay Day at Six Flags" so that they can make an informed decision as to rather they want to attend Six Flags Over Texas on that day. Six Flags Over Texas has a responsibility to inform families and children about "Gay Day at Six Flags." It is a family park and families sustain Six Flags business throughout the year.
