

Europe's Part In The End Times

<http://www.thewatcher.co.uk/europe/europe.htm>

We are living in the days of the last Kingdom as prophesied by Daniel in Chapter 2:31-33

Dan 2:31-33 Thou, O king, sawest, and behold a great image. This great image, whose brightness was excellent, stood before thee; and the form thereof was terrible. This image's head was of fine gold, his breast and his arms of silver, his belly and his thighs of brass, his legs of iron, his feet part of iron and part of clay.

We know the legs of Iron was the Roman Empire and the mixture of Iron and clay in the feet represent a collaboration between the last of the Roman Empire in the form of the Catholic Church and Europe. By the Middle Ages Germanic Europe was known as the Holy Roman Empire and was dominated by what were called Prince Bishops, so that it was both a spiritual and a political power. Neither of those powers died, but today both have passed into the European Union through the 1957 Treaty of Rome.

Today Europe is setting itself up in direct opposition to God. Already we know the trouble the Church is having in France, Germany and Belgium. The Berlin Declaration in 1908 started the opposition to Christianity by declaring everything to do with the Holy Spirit was of the Devil, thus committing the unpardonable sin.

With the First World War Germany slipped into depression during the 20's and 30's with the collapse of the bank bringing economic disaster. Germany and Old Europe was in turmoil but the time was right for the rise of a leader who would bring order to chaos and deliver them from their depression. This was to be HITLER; backed by the Church his rise was phenomenal. His anti-Semitic vales were born from the church at the time and his rise and rule was a type of Anti-Christ. He too will rise from a time of turmoil and depression, when people call out for a leader of vision and power, also backed by the Church. What does this have to do with Europe?

Europe is setting it self up in direct opposition to God. It is slowly changing laws to squeeze the Christian church out, and it makes no secret of this. To encourage support for the EU, the Council of Europe published a poster identifying Europe with the rebuilding of Babel!

Modelled on Pieter Brueghel's famous 16th century painting "The Tower Of Babel", the poster shows the peoples of Europe rebuilding the tower that God destroyed in *Genesis 11:5-9*.

And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. Go to, let us go down, and there confound their language, that they may not understand one another's speech. So the LORD scattered them abroad from thence upon the face of all the earth:

and they left off to build the city. Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth."

Note the statement shown on the poster "Many Tongues One Voice", inverts God's judgement on Babel. Note also that the normal European stars have been inverted to a pentagram, which shows the horns, ears and beard of Lucifer.

The man who designed it was inspired by the 12 stars that in Catholic tradition halo the head of Mary. He still hopes she will be incorporated into the design. So the actual flag is of the 'Queen of Heaven' as the Queen of Europe, at the very centre of the EU. After complaints by some Christians, it was withdrawn. BUT in December 2000 they completed a new EU Parliament building in Strasbourg in France.

But if you thought that was enough, that's not the end. Even worse than the tower of Babel is the fact that they have chosen another symbol to identify Europe, an image of a woman sitting on a beast - symbolic of both spiritual and political power! There are two parliament buildings for Europe, one in Strasbourg in France, and the other in Brussels in Belgium - both contain murals depicting this woman. And outside the Council of Europe Building in Brussels is a crude sculpture of this evil, scarlet woman, riding the evil beast. Is she the woman referred to in Revelation 17.

This symbol of the European Union is printed on stamps, phone cards, and currency. The woman is known from Greek mythology as 'Europa' and literally she has been raped by the beast. Is that how the politicians see Europe?

Another symbol adopted by Europe, as curious as the Tower of Babel, is the Greek myth of the 'Rape of Europa'. This makes us ask - is Europe today being raped politically/financially/spiritually - and by whom? In every case a wanton woman, Europa, can be seen riding a beast (Rev 17:1-7), note especially from Revelation that the forehead of the woman riding the beast is branded with the name, 'Mystery Babylon'). The mythical story is that Zeus, the father of the gods, spied Europa alone on the beach and lusted after her. He transformed himself into a bull of dazzling whiteness with horns like a crescent moon and lay down at her feet. She climbed on his back and he plunged with her into the waves of the sea before raping her. Europa conceived a son, and after her death she received divine honours as 'Queen of Heaven', whilst the bull dissolved into the constellation in the sky known as Taurus. Brussels and Strasbourg EU Parliaments both contain paintings of the woman on the beast. A related issue may be the massive computer in Brussels called Euro Net, but nicknamed the 'Beast', the first computer reputed, to be capable of storing personal data of the entire world population.

Is Europe the Babylon spoken of which will be destroyed in one hour?

Rev 18:1-16 *After these things I saw another angel coming down from heaven, having great authority, and the earth was illuminated with his glory. And he cried mightily with a loud voice, saying, "Babylon the great is fallen, is fallen, and has become a dwelling place of demons, a prison for every foul spirit, and a cage for every unclean and hated bird! For all the nations have drunk of the wine of the wrath of her fornication, the kings of the earth have committed fornication with her, and the merchants of the earth have become rich through the abundance of her luxury." And I heard another voice from heaven saying, "Come out of her, my people, lest you share in her sins, and lest you receive of her plagues. For her sins have reached to heaven, and God has remembered her iniquities. Render to her just as she rendered to you, and repay her double according to her works; in the cup which she has mixed, mix double for her. In the measure that she glorified herself and lived luxuriously, in the same measure give her torment and sorrow; for she says in her heart, 'I sit as queen, and am no widow, and will not see sorrow.' Therefore her plagues will come in one day-- death and mourning and famine. And she will be utterly burned with fire, for strong is the Lord God who judges her. The kings of the earth who committed fornication and lived luxuriously with her will weep and lament for her, when they see the smoke of her burning, standing at a distance for fear of her torment, saying, 'Alas, alas, that great city Babylon, that mighty city! For in one hour your judgment has come.' And the merchants of the earth will weep and mourn over her, for no one buys their merchandise anymore: merchandise of gold and silver, precious stones and pearls, fine linen and purple, silk and scarlet, every kind of citron wood, every kind of object of ivory, every kind of object of most precious wood, bronze, iron, and marble; and cinnamon and incense, fragrant oil and*

frankincense, wine and oil, fine flour and wheat, cattle and sheep, horses and chariots, and bodies and souls of men. The fruit that your soul longed for has gone from you, and all the things which are rich and splendid have gone from you, and you shall find them no more at all. The merchants of these things, who became rich by her, will stand at a distance for fear of her torment, weeping and wailing, and saying, 'Alas, alas, that great city that was clothed in fine linen, purple, and scarlet, and adorned with gold and precious stones and pearls!' The Seat of Satan

The gigantic 'Altar of Pergamon' dominates Germany's Pergamon Museum in former East Berlin. Originally sited in Asia Minor, the Temple at Pergamon with its altar was the centre of Emperor worship; the price of refusal to acknowledge the Emperor as God - ritual murder on the altar! Revelation 2:13 calls it 'Satan's Seat' or 'the Throne of Satan':

Germany's Pergamon Museum in former East Berlin

Rev 2:12-13 "And to the angel of the church in Pergamos write, 'These things says He who has the sharp two-edged sword: "I know your works, and where you dwell, where Satan's throne is. And you hold fast to My name, and did not deny My faith even in the days in which Antipas was My faithful martyr, who was killed among you, where Satan dwells. (NKJ)

On its steps early Christians were martyred for their unswerving faith in Christ. German archaeologist Carl Human found it in almost perfect condition in the late 1800's and carefully shipped every stone to Berlin. In 1902 Kaiser Wilhelm II celebrated its erection in Berlin as the 'proudest monument to his reign' - with an extravagant festival to the pagan gods!

It is significant that within a short time of this, the history of Germany was to be dominated by a sequence of events which could only be attributed to Satanic control. Yet another relic from the past is the Ishtar Gate again brought back to Germany stone by stone, it was said to be one of the gates into Babylon and originally had around it 337 images of the dragon god. Today you can still see some of the images. 337 in numerology is the number of sheol or hell. These gates to the occult represent the entrance or gates to hell.

You can clearly see the images of the dragon god, lovingly restored to its former glory. Why would they bring 2 items like this which speak of evil and have connections with Satan. Europe is becoming a Godless organisation who's intentions are far from righteous. Will the Anti-Christ come up through the countries of Europe and use them to fight Christ at his return. Don't forget we are not looking for 10 countries now to fulfil the prophecy but 10 Kings then who have power for an hour. No matter how many countries join the EU there is no telling what will happen in the future and how Europe will be divided or Kindomised in the future for the purpose and will of the Anti-Christ.

We should think long and hard as British Christians before entering the EU. It is not a matter of losing our pound but losing our right and freedom to be a Christian, to worship as and when we please. Europe will be punished for its stand against God, would we want to be a part of that?
