

# **PASTOR KEVIN'S MIDDLE**

## **EAST UPDATE**

**Thursday, September 28, 2006**

In light of the current conflict in the Middle East, I feel it is important to keep our congregation (which includes our web visitors) up to date with my views on the Biblical significance of this crisis.

Until this war is over, we will be posting updated audio and written messages at this handout link. This handout will appear on the home page and also in the "Biblical Prophecy" or "Israel" section of our "Handout/Links" page. We will keep the "last updated" note current so that you can know when something new has been added. The audio message links below can also be found at our "Sermon Archive" page under "Topical (mp3)" messages.

### **Audio Messages:**

3. In a study given by pastor Kevin on October 22, 2003, we went verse by verse through Isaiah 17 explaining how the coming war between Israel and Syria would result in the total destruction of Damascus (and other cities) as well as a severe blow being dealt to the nation of Israel ([Click here to listen to the study titled "prophecy update series 1" in our topical MP3 sermon archives](#) ).
4. In a study given by pastor Kevin on October 29, 2003, we went verse by verse through Ezekiel 38 and 39 explaining how Israel would be invaded by some nations during a time where Israel cannot defend itself. In this case, God destroys the invading armies. [Click here to listen to the study](#)
