

Hollywood Denounces God and Applauds Pedophilia at the Oscars

Note from Pastor Kevin Lea: I pray God's people will realize the importance of not supporting movies that feature perversion or feature actors/actresses committed to the perversion and destruction of our country.

The Academy Awards showed its support for sexual perversions last night at its annual Oscar ceremony.

And, the Academy wrongly painted the Entertainment Industry as a bunch of Commie rats, as it applauded Communist sympathizer Sean Penn's gleeful greeting after winning an award for portraying an assassinated homosexual leader, "You Commie, homo-loving sons of guns!"

The Oscar audience applauded madly when Penn, who won Best Actor for his portrayal of murdered homosexual activist Harvey Milk in the movie MILK, angrily chastised voters in California, including 70% of black voters, for having the gall in last November's elections to support the real definition of marriage.

In a mean spirited curse, Penn said, "I think it's a good time for those who voted for the ban against gay marriage to sit and reflect on their great shame, and their shame in their grandchildren's eyes if they continue that support. We've got to have equal rights for everyone."

In the past, Penn has also expressed support for Hugo Chavez, the Neo-Marxist dictator of Venezuela, and Communist dictator Fidel Castro of Cuba.

The audience also clapped when the winning screenwriter for MILK, Dustin Lance Black, proclaimed his bigotry when he commented, "If Harvey had not been taken from us 30 years ago, I think he would want me to say to all the gay and lesbian kids out there tonight who have been told they are less than by the churches, by the government, by their families, that you are beautiful, wonderful creatures of value, and that no matter what anyone tells you, God does love you and that very soon, I promise you, you will have equal rights, federally, across this great nation of ours. Thank you, God, for Harvey Milk!"

At the beginning of the show, host Hugh Jackman described the message of MILK as, "It's okay to be gay."

Of course, Jesus Christ believes otherwise.

"Haven't you read," he says in Matthew 19:4-6, "that at the beginning the Creator 'made them male and female,' and said, 'For this reason a man will leave his father and

mother and be united to his wife, and the two will become one flesh'? So, they are no longer two, but one. Therefore, what God has joined together, let man not tear apart."

The movie industry also gave an Oscar to Kate Winslet for playing an illiterate escaped Nazi war criminal and pedophile that repeatedly seduces a 15-year-old boy.

Even though she played a pedophile, Hollywood decided that Kate Winslet finally deserved to get an Oscar for her performance in THE READER.

Earlier in the evening, actress Marisa Tomei, who plays a stripper in THE WRESTLER, was applauded for showing that "a stripper doesn't have to lose her dignity when taking off her clothes."

The attack on biblical values continued as Meryl Streep was praised for portraying a strict Catholic nun who struggles with herself and the fact that modern times are passing her by.

Later in the telecast, atheist Bill Maher was given a platform to rail against religion when he said, "Someday we'll have to confront the notion that our silly gods cost the world too greatly."

Maher and Penn's statements notwithstanding, statistics show that movies with very strong Christian worldviews like PRINCE CASPIAN and FIREPROOF averaged \$43.5 million at the box office while movies with very strong atheist or anti-Christian worldviews like Maher's RELIGULOUS averaged only \$11.2 million and movies with very strong pro-homosexual content like MILK averaged even worse, only \$6.3 million.

In fact, the more homosexual content a movie had, the less it earned at the box office, according to MOVIEGUIDE®'s Annual Report to the Entertainment Industry, which examined the Top 250 English-language movies at the box office:

Content	Count	B.O. Sum	B.O. Avg.
Ho	41	\$1,481,700,314	\$36,139,032
HoHo	18	\$497,445,643	\$27,635,869
HoHoHo	9	\$56,439,305	\$6,271,034

"Oscar obsessed liberals are out of touch with the American people," MOVIEGUIDE® Publisher Dr. Ted Baehr said. "They attacked the faith and values of the 80% of Christians who worship Jesus Christ. Most of these people go to church every week and donate billions of dollars to churches and other religious groups."

Dr. Baehr said he also found it "bizarre" that the Oscars ignored such box office hits as THE DARK KNIGHT, IRON MAN and Clint Eastwood's GRAN TORINO.

"Apparently, these movies were too conservative for Hollywood's celebrity elite."
