

Girl Scouts Now Allow 'Transgendered Boys' to Join Brownie Troops

Note from Pastor Kevin: The next time I am asked to buy Girl Scout cookies, I will be using this information to explain why I will never buy cookies again or otherwise support the Girl Scout organization.

AFA Action Alert [contact@afa.net]

November 1, 2011

Dear Kevin,

The Girl Scouts of Colorado has flip-flopped on a decision not to let a 7-year-old boy join their organization, now saying he is welcome even though he's not a girl, according to [FoxNews](#).

The Girl Scouts issued a statement to the local Fox affiliate, saying they are an inclusive organization and will accept "Bobby." The troop leader who turned him away made a mistake, they said, and the situation is being rectified. "If a child identifies as a girl and the child's family presents her as a girl, Girl Scouts of Colorado welcomes her as a Girl Scout," the statement said.

This follows a long [history of liberal leanings](#) by the Girl Scouts of America:

- Girl Scouts supports Planned Parenthood.
- Girl Scouts recognizes many "gods."
- Girl Scouts advances lesbianism and radical feminism.

The Girls Scouts of America has lost it's way and lost its mind. A boy is not a girl, end of story.

TAKE ACTION

[Send an email to the new Girl Scouts of America chief executive, Anna Maria Chávez, expressing your disappointment in their recent decision to allow boys as troop members.](#) Let them know you will not support the Girl Scouts as long as it continues down a path of destructive policies.

AFA is proud to recommend the Christian-based [American Heritage Girls](#) as an alternative to the Girl Scouts of America. American Heritage Girls has over 13,000 members in 41 states.
