Note from Pastor Kevin Lea: In this article, Rick Warren says that Muslims and Christians worship the same God. If Rick has read the Koran, then he should know that the god reflected in its pages cannot be the same God Who so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life (John 3:16).

If Warren hasn't read the Koran, then he shouldn't be making uninformed false statements that could lead millions astray. From either of these two possibilities, one can only conclude that "America's Pastor" is potentially a liar and is certainly a false shepherd leading the sheep astray. Jesus said (through Peter) that it would be so in the last days. I hope you will not be one of those who follow Warren's destructive ways.

2 Peter 2:1-3 - But there were also false prophets among the people, even as there will be false teachers among you, who will secretly bring in destructive heresies, even denying the Lord who bought them, and bring on themselves swift destruction. And many will follow their destructive ways, because of whom the way of truth will be blasphemed. By covetousness they will exploit you with deceptive words; for a long time their judgment has not been idle, and their destruction does not slumber. (NKJV)
