Note from Pastor Kevin Lea follows this article.

In a riveting interview on [TruNews Radio](#), Wednesday, private investigator Doug Hagmann said high-level, reliable sources told him the U.S. Department of Homeland Security (DHS) is preparing for “massive civil war” in America.

“Folks, we’re getting ready for one massive economic collapse,” Hagmann told *TruNews* host Rick Wiles. [Sign-up for my 100% FREE Alerts](#) “We have problems . . . The federal government is preparing for civil uprising,” he added, “so every time you hear about troop movements, every time you hear about movements of military equipment, the militarization of the police, the buying of the ammunition, all of this is . . . they (DHS) are preparing for a massive uprising.”

Hagmann goes on to say that his sources tell him the concerns of the DHS stem from a collapse of the U.S. dollar and the hyperinflation a collapse in the value of the world’s primary reserve currency implies to a nation of 311 million Americans, who, for the significant portion of the population, is armed.

Uprisings in Greece is, indeed, a problem, but an uprising of armed Americans becomes a matter of serious national security, a point addressed in a recent report by the Pentagon and highlighted as a vulnerability and threat to the U.S. during war-game exercises at the Department of Defense last year, according to one of the DoD’s war-game participants, Jim Rickards, author of *Currency Wars: The Making of the Next Global Crisis*.

Through his sources, Hagmann confirmed Rickards’ ongoing thesis of a fear of a U.S. dollar collapse at the hands of the Chinese (U.S. treasury bond holders of approximately \$1 trillion) and, possibly, the Russians (threatening to launch a gold-backed ruble as an attractive alternative to the U.S. dollar) in retaliation for aggressive U.S. foreign policy initiatives against China’s and Russia’s strategic allies Iran and Syria.

“The one source that we have I’ve known since 1979,” Hagmann continued. “He started out as a patrol officer and currently he is now working for a federal agency under the umbrella of the Department of Homeland Security...”

Note from Pastor Kevin Lea: This handout is provided for your prayerful consideration. I have been following the Executive Orders coming out of the White House and news items about Homeland Security activities. I agree with this author that something big is about to happen. He says it will be about the collapse of the dollar. I think that it could also be related to the coming Isaiah 17 and Psalm 83 wars in the Middle East and related attacks on America. Whatever triggers the chaos, it is clear that the United States government is prepared to implement martial law and the related suspension of our civil rights. It will be the end of America as we have known it when the government uses lethal force to put down any uprising by those who fight against this draconian power grab.

Although these developments are troubling, Bible-believing Christian should not fret. We know we are approaching the Last Days. The prophets have foretold the world is headed to a time of global government. All the nations of the world are plotting toward this end, and it should be no surprise that American sovereignty must go if the world is to be united under a future world ruler who will be the antichrist.

Many have thought that all of these things will happen during the tribulation period. But how can the antichrist show up at the beginning of the seven year climax of human history, and make himself the world ruler, unless the world has already been prepared for global government in the decades leading up to this time?

So if the beginning of world government must come years before the tribulation begins, what is a God-fearing American Christian supposed to do when we see the government getting ready to wage war on its citizens? In other words, whatcha gonna do when they come for you, your guns, your food, your Bibles, your freedom? That is the big question that many struggle with, including me. It is certain that those who fight will die doing so, which brings to mind the words of Jesus the night that He was betrayed:

*But Jesus said to him, "Put your sword in its place, for all who take the sword will perish by the sword. Or do you think that I cannot now pray to My Father, and He will provide Me with more than twelve legions of angels? **How then could the Scriptures be fulfilled, that it must happen thus?**"*
Matthew 26:52-54 NKJV

I believe verse 54 is the most applicable to our question. Jesus told his disciples that he was going to be betrayed into the hands of sinners, then crucified, and rise from the dead on the third day. So why was Peter drawing his sword and trying to stop the very thing Jesus had said was going to happen? The answer is because he didn't want things to change, he didn't want evil men to get away with doing evil things, even though Jesus warned them it would happen. Peter was trying to stop the plan of God through his own human effort, and Jesus rebuked him for this attitude weeks before that fateful night:

And He began to teach them that the Son of Man must suffer many things, and be rejected by the elders and chief priests and scribes, and be killed, and after three days rise again. He spoke this word openly. Then Peter took Him aside and began to rebuke Him. But when He had turned around and looked at His disciples, He rebuked Peter, saying, "Get behind Me, Satan! For you are not mindful of the things of God, but the things of men." Mark 8:31-33 NKJV

We can learn from Peter's mistake by keeping our hearts and minds on the things of God rather than the things of man (trying to preserve an America that has rotted from within and is soon to be no more, just as the prophets have foretold if we are in the last days leading up to the kingdom of the Antichrist). We must remember that our citizenship is in heaven and that our Lord Jesus must be coming soon.

For our citizenship is in heaven, from which we also eagerly wait for the Savior, the Lord Jesus Christ, who will transform our lowly body that it may be conformed to His glorious body, according to the working by which He is able even to subdue all things to Himself. Philippians 3:20-21 NKJV

Now when these things begin to happen, look up and lift up your heads, because your redemption draws near." Luke 21:28 NKJV
