Note from Pastor Kevin Lea: The Muslim Brotherhood has agents within the Whitehouse and with Obama's support has taken over the most populous Arab State – Egypt.

In doing so they are setting the stage for the fulfillment of Psalm 83. Morsi's statements below are an exact fulfillment of this prophecy. It will not end well for him, Egypt and those conspiring with him (Lebanon, Syria, Jordan, and Gaza) when they try to eliminate Israel. The God of Israel will lead the Israeli defense forces into victory over these confederated nations, causing them to burn as the chaff of the wheat.

To learn more about this prophecy from Psalm 83, you can listen to the following messages posted to [our website](#) under [sermons, topical MP3](#):

Israeli-Palestinian negotiations are a "waste of time and opportunities" because Arabs and Muslims gain nothing from engagement with "the descendants of apes and pigs," Egyptian President Mohamed Morsi said in recently translated interviews from 2010.

According to the translated interviews published by the Middle East Media Research Institute this week, Morsi called the creation of Israel in 1948 a "plundering" of Palestinian lands.

During an interview with Lebanon's Al-Quds TV network, Morsi said the Islamic world should "confront this Zionist entity."

"The Zionists have no right to the land of Palestine," Morsi said, according to the [Jerusalem Post](#). "What they took before 1947-8 constitutes plundering, and what they are doing now is a continuation of this plundering. By no means do we recognize their Green Line. The land of Palestine belongs to the Palestinians, not to the Zionists."

In two interviews, the recently-elected Egyptian leader, who formerly led the extremist Muslim Brotherhood, disparaged the idea of a two-state solution because...
