AUSTIN, Texas – Barack Obama recently laughed and fist bumped a cashier who moonlights as a crossdresser after he joked with the president that he has sexual relations with men.

The *Austin Chronicle* reports that Obama visited the Franklin Barbecue on Thursday during his visit to the Lone Star State, a popular restaurant in the city that was backed up with its characteristic long line upon his arrival.

As Obama made his way to the front of the line to pay for his meal, he was met by cashier Daniel Rugg Webb, who also works as a comedian and musician, and at times dresses as a drag queen. Webb lamented to reporters that he had not donned his “sequins” the day that Obama visited the restaurant.

“Equal rights for gay people!” he declared as he emphatically slapped the counter.

“Are you gay?” Obama asked.

“Only when I have sex,” Webb replied.

He tells the *Austin Chronicle* that Obama then began laughing and offered his fist, saying, “Bump me.”

The two exchanged a fist bump, which was caught on camera by *New York Times* reporter Doug Mills. The photograph shows both of the men smiling as Obama reaches over the counter to show his support for Webb.

“I do stand-up, so it was nice to have some interaction based on, hopefully, something funny,” Webb stated. “If Rick Perry would’ve walked in, I would have lost my job. I would’ve taken that old queen to town.”

But not everyone finds the exchange humorous, especially Obama’s reaction as the leader of the nation.

“Obama never misses the opportunity to besmirch the office of president of these United States,” wrote Geoffrey Grider of *Now the End Begins*. “Fist-bumping with flaming homosexuals while making wildly inappropriate gay sex jokes? Sure! Obama has never met a low that he didn’t like.”

Peter LaBarbera of Americans for Truth About Homosexuality likewise told *Christian News Network* that he finds it sad that Obama thinks sex between two men is humorous while ignoring the health implications of the homosexual lifestyle.

“The president’s double-standard on health is telling: He and First Lady Michelle are dead serious about healthy snack foods for kids, but homosexual sex is a laughing matter,” he said. “This is despite the fact that the evidence keeps coming in about just how dangerous homosexual sex is, especially for males. Virtually every case of HIV among males ages 13 to 24 is linked to homosexual sex, and recently the CDC stated that syphilis is now predominantly a disease for ‘men who have sex with men.’”

“Obama couldn’t care less what God and the Bible say about sodomy,” LaBarbera lamented. “But no matter how cool the Left and ‘gay’ activists try to make homosexual behavior, it will always be detestable in the eyes of our Creator. Thank God it’s also changeable as proven by the many men and women who have left homosexuality behind.”

Note from Pastor Kevin Lea: It is shocking to see how quickly social norms have disintegrated in my lifetime, especially since Obama was elected President. The verses below explain that once a society rejects God, He responds by turning them over to their own debased mind and then every other form of evil follows. We see the fulfillment of this today. The ensuing judgment surely is at hand.

For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature. Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due. And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; being filled with all unrighteousness, sexual immorality, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit, evil-mindedness; they are whisperers, backbiters, haters of God, violent, proud, boasters, inventors of evil things, disobedient to parents, undiscerning, untrustworthy, unloving, unforgiving, unmerciful; who, knowing the righteous judgment of God, that those who practice such things are deserving of death, not only do the same but also approve of those who practice them.
