

The Bilderberg Group: Founded By a Nazi and Continuing the Agenda of the Nazis

A note from Pastor Kevin Lea follows this article.

When you want to discover what an organization is really all about, it is important to dig down to the roots. And when you uncover the roots of the Bilderberg Group, you find some very unsettling things. It turns out that the Bilderberg Group has had Nazi connections from the very beginning, and it continues to advance the agenda of the Nazis to this very day. This year, the Bilderberg Group is meeting from June 11th to June 14th at the Interlpen Hotel which is near the city of Telfs, Austria. This organization has so much power that even several days before the event police are keeping everyone (including reporters) [10 kilometers away from the hotel](#). If this is just a group of private citizens getting

together to chat about world issues, why all the security? What is so special about this group of people that rates such extraordinary measures? And why are they so bound and determined to keep all of the rest of us away from them?

During World War II, the Nazi effort to unite all of Europe (and ultimately the rest of the world) through war failed miserably. When the war ended, those that believed in that dream decided that another approach would be necessary. Instead of war, a united Europe dominated by Germany would be achieved through international treaties and diplomacy. In 1957, the European Economic Community was established, and it began with just six countries: Belgium, France, Italy, Luxembourg, the Netherlands, and West Germany. Since that time, it has expanded to 28 nations and has become known as “the European Union”.

The idea for the common currency that the European Union uses today, the euro, [was conceived and developed by the Bilderberg Group](#). This organization has always been at the forefront of European unity, but most people have no idea where it came from.

Well, the truth is that the Bilderberg Group first met [in 1954](#), and one of the key founders of the group was Prince Bernhard of the Netherlands. Not only was he a founder, Prince Bernhard actually served as the organization’s chairman [until 1976](#). So why is this important? Most people do not realize this, but Prince Bernhard actually belonged to the Nazi Party at one time. The following is an excerpt from an article that appeared in [the Telegraph](#)...

“Bernhard, a secret history” has revealed that the prince **was a member of the German Nazi party until 1934**, three years before he married Princess Juliana, the future queen of the Netherlands.

Annejet van der Zijl, a Dutch historian, has found membership documents in Berlin’s Humboldt University **that prove Prince Bernhard, who studied there, had joined Deutsche Studentenschaft, a National Socialist student fraternity, as well as the Nazi NSDAP and its paramilitary wing, the Sturmabteilung.**

He left all the groups on leaving university in December 1934, when he went to work for the German chemical giant, IG Farben.

And Prince Bernhard’s association with IG Farben also links him to the Nazis. The following comes from a book entitled [“The Nazi Hydra In America”](#) by Glen Yeadon...

“The Bilderberg group, founded by Prince Bernhard of the Netherlands, held its first meeting in 1954. The prince, a former officer in the SS, **had worked in IG Farben’s notorious NW7 group, which served as spies for the Third Reich.** Bernhard belonged to the **Dutch branch of the Knights Templar.** In 1954, he was **appointed to govern the Dutch order.** John Foster Dulles was one of the most helpful Americans in setting up the Bilderberg group. Incidentally, in 1954 Dulles testified in favor of a bill designed to return vested enemy assets, such as GAF, to their previous owners.”

As the quote above just pointed out, John Foster Dulles was instrumental in helping the Bilderberg Group get established. His brother, Allen Dulles, was responsible for Operation Paperclip which enabled large numbers of Nazi scientists (among others) to come into the United States and start working for the U.S. government in various capacities. Allen Dulles was so passionate about this program that it continued [even when two presidents tried to shut it down](#)...

Dulles’ CIA Operation Paperclip assimilated Nazi scientists into the American establishment by obscuring their histories and preventing efforts to bring their true stories to light. The project was led by officers in the United States Army. Although the program officially ended in September 1947, those officers and others **carried out a conspiracy until the mid-1950s that bypassed both law and presidential directive to keep Operation Paperclip going.** Neither Presidents [Truman](#) nor [Eisenhower](#) were informed that their instructions were ignored.

The “godfather” of the Bilderberg Group is a former U.S. Secretary of State named Henry Kissinger. He has attended the gathering almost every single year, and he will be there [once again in 2015](#). This is a man that is so committed to globalization that he even wrote a book entitled “[World Order](#).” But what hardly anyone knows is that he actually discussed overthrowing the West German government with a group of “disgruntled Nazis” [back in the 1970s](#)...

A German academic has unearthed evidence showing ...

***Note from Pastor Kevin Lea:** The author is apparently not aware that, according to the Bible, there is no stopping the soon-coming, ten-nation, global government.*

The biblical prophets Daniel and the Apostle John (who wrote Revelation) make it clear that in the last days before Jesus physically returns to earth, the world will be enslaved by a global government ruled by the antichrist. If we are witnessing the implementation of this last-days global power grab, then we are getting close to the return of our precious Lord and Savior, Jesus.

Have you repented of your sins against and holy God and confessed to Him that you want to stop fighting Him and His laws and instead submit to His ways? Have you humbled yourself before God and admitted that you are a sinner in need of His forgiveness through Jesus’ shed blood on the cross? If not, then your name is not written in the Lamb’s Book of Life and you don’t have a reservation in heaven, a really foolish error that you will regret for the rest of your eternal life.

But I saw no temple in it [heavenly Jerusalem], for the Lord God Almighty and the Lamb [Jesus] are its temple. The city had no need of the sun or of the moon to shine in it, for the glory of God illuminated it. The Lamb is its light. And the nations of those who are saved shall walk in its light, and the kings of the earth bring their glory and honor into it. Its gates shall not be shut at all by day (there shall be no night there). And they shall bring the glory and the honor of the nations into it. But there shall by no means enter it anything that defiles, or causes an abomination or a lie, but only those who are written in the **Lamb's Book of Life.** Revelation 21:22-27 NKJV
