

# O'Donnell On ABC: 'Radical Christians' No Different Than Murderous Radical Muslims

## Neither O'Donnell Nor ABC Has Apologized

Thu 9/14/2006 4:01 PM

ABC's Rosie O'Donnell told a nationwide audience this week that "radical Christians" are the same as radical Muslims who piloted hijacked jetliners into New York's Twin Towers, who chop off the heads of individuals and who bomb innocent children in suicide attacks. O'Donnell made her comments as host of ABC's "The View."

"Radical Christianity is just as threatening as radical Islam in a country like America where we have separation of church and state," O'Donnell said. She had been saying that America was attacked "not by a nation." She continued: "And as a result of the attack and the killing of 3,000 innocent people, we invaded two countries and killed innocent people." Even her liberal co-hosts were shocked by her comments.

Co-host Joy Behar protested that Christians are not trying to impose mass murder on America. "This group (radical Muslims) is threatening to kill us." Replied O'Donnell: "No, but we are bombing innocent people in other countries. True or false?"

O'Donnell was saying there is no difference between the radical Muslims who kill in the name of Allah and Bible-believing Christians who follow the teachings of Jesus.

Neither O'Donnell nor ABC apologized for the comments. Had she made similar comments about minorities or homosexuals, there would have been an apology, and she would have probably been fired.

The message from ABC is that bashing Christians is acceptable, even comparing them with murderers who kill in the name of Allah.

## Letter to ABC from Pastor Kevin Lea

Thursday, September 14, 2006

Dear President Frons,

I do believe your network should apologize for Rosie's demonstrated lack of knowledge of history and of her hatred toward Christians.

The entire world is in the beginning stages of WW III as we resist the fundamentalist Islamic demand that we convert to Islam or die. Islam had to be put in a box once and if it is not put back in the box, then we will all be "Muslims" or dead.

Yes, we Americans, Brits, etc. are defending ourselves against those who would use their resources to accomplish their Islamic goal, but to equate Christianity to Islam is the height of ignorance.

When we hear of plans to blow up planes over the pacific, do we have to pause and wonder whether it was a Baptist, or maybe a Hindu or Buddhist, worse yet, someone from Jerry Falwell's church, or do we all KNOW it is a peace-loving Muslim?

The comments by Rosie O'Donnell deserve a public apology and reprimand. Refusal to do so indicates that ABC, as her employer, agrees with her disregard of facts and her anti-Christian bigotry.

By the way, you can tell her that I love her with the love of Jesus, that I pray she will someday appreciate what Jesus did for her on the Cross. Please also tell her that I wish her no harm, because Jesus commanded me to treat her that way, even if she becomes a dictator and feeds all of us Christians to the lions.

However, if I were a devout, fundamentalist, Muslim, and her words had been directed against Islam instead of Christianity, this letter would have been telling her, "I know where you live."

Yes ABC/Rosie, there is a very big difference between true Christians and true Muslims!
