

# Depopulation: The Sign that Tells us Jesus' Appearing is at Hand

By Jonathan Brentner, September 16, 2022, <https://www.jonathanbrentner.com/https/jonathan-brentner-g8fgsqspacecom/config/2022/9/16/terrifying-signs-of-the-last-days>

A significant sign that we live in the last days comes from the lips of Jesus Himself. In Matthew 24:21-22, Jesus spoke these words regarding the last three and a half years of the Tribulation: *“For then there will be great tribulation, such as has not been from the beginning of the world until now, no, and never will be. And if those days had not been cut short, no human being would be saved. But for the sake of the elect those days will be cut short.”* The event that ends this time of “great tribulation” during which humanity will face extinction will be the Second Coming (see Matthew 24:29-31).

On the one hand, the current depopulation effort of the globalists is frightening and surely fits with Jesus' prophecy. On the other hand, it opens our eyes to what's happening around us and reminds us that God is sovereignly directing history to accomplish His purpose. He is preparing the world, and Israel, for Jesus' upcoming thousand-year reign on the earth.

As we look at the evidence pointing to a world that's on its way to fulfilling Jesus' words in Matthew 24:21-22, and we know that His prophecy cannot reach its climax for at least seven-plus years, this shouts to us that Jesus' appearing must be ever so close.

**1. IT'S KILLING MULTITUDES OF PEOPLE.** According to the United Kingdom (UK) Government, “1 in every 246 people vaccinated against Covid-19 in England has died within 60 days of receiving a dose of the Covid-19 vaccine.”<sup>[i]</sup> If you think that's a small percentage, consider this: The CDC tells us that 67.6% of the U.S. population have received these injections for a total of roughly 220,000,000 Americans. If 1 in 246 of them died within two months of receiving the deadly vaccine, that total would be 894,000 people.

For the U.S. alone, there have been 14,348 deaths reported to the CDC due to these shots. Please know that studies show that the CDC numbers only consist of about one percent of actual vaccine injuries. If you think that 1.4 million deaths in the U.S. is extreme, I refer you to a report on the Global Research website that contains dozens of graphs and charts showing the adverse impact of these injections in the UK. The quotes below come from the conclusion of the article:

- . . . . *the UK Government has confirmed fully vaccinated young adults are 92% more likely to die than unvaccinated young adults (see here).*
- *They've also confirmed COVID vaccinated children are at least 4423% more likely to die of any cause & 13,633% more likely to die of COVID-19 than unvaccinated children (see here).*
- . . . . *Hundreds of thousands of excess deaths are being recorded around the world on a weekly basis, but only a small minority can be attributed to Covid-19.*<sup>[iii]</sup>

Please note that again, it's the UK government saying these things. It's not a blogger, but the government itself providing these statistics.

The overall numbers reported to the CDC VAERS system as a result of these injections are both staggering and heartbreaking, but they only represent a small fraction of what's happening in the world. These are the totals through September 7, 2022: 30,935 deaths; 57,788 permanently disabled; 52,220 Myocarditis or Pericarditis (these afflictions will significantly shorten the life of those impacted by them). *(CCPO Note: These numbers reflect all reports submitted to the CDC, including those from outside the U.S. The 14,348 deaths number cited above is for the U.S. & Territories only.)*

Prior to the release of the mRNA injections, the average number of athletes dying each year was 29. In an eighteen-month period ending on August 31, 2022, almost 900 athletes have suddenly died of “unknown” causes.<sup>[iii]</sup> That equates to a yearly average of 600. *In just the past week, I have read about five healthy young athletes suddenly dying of heart related ailments as well as a seventeen-year-old male who needed three hours*

of open-heart surgery to repair damage to his heart. The mRNA injections fall right in line with Jesus' prophecy; some doctors say that we will not know the final death toll from them for another two years.

**2. TRANSHUMANISM.** I have written several posts on this topic including my latest one: *Transhumanism: The Evil Force Behind the New World Order*. In this article, I make this point: *Do not let the proponents of the NWO [New World Order] or the Great Reset deceive you; they all accept transhumanism is an essential step to convince people of the need for world governance. Some of these globalists may profess a belief in God or allegiance to a church, but they are lying. They are all staunch atheists who reject all that Scripture says about creation, especially Genesis 1:27, "God created man in his own image."*

Put simply, transhumanism is the combining of humans with machines with the purpose of changing them into something far different than what God created. Transhumanism in the U.S. took a giant leap forward with the Executive Order (EO) that Biden signed on September 12, 2022. Leo Hohmann, an investigative reporter and blogger, analyzed the EO with this article, *Biden signs executive order designed to unleash transhumanist hell on America and the world*. Here are a few of his insightful commentary:

- *By quietly getting Biden's signature on this document, his handlers may have given us the most ominous sign yet that we stand on the threshold of a technocratic one-world beast system. Prepare to make your stand because it's about to get much more intense.*
- *This document's Orwellian title, Executive Order on Advancing Biotechnology and Biomanufacturing Innovation for a Sustainable, Safe, and Secure American Bioeconomy, will assure that its significance will fly right over the heads of 99 percent of the media, even the conservative media.*
- *They will read it and yawn. I plead with everyone reading this article to please not make that same mistake.*<sup>[iv]</sup>

Hohmann gets to heart of the EO with a quote from Karen Kingston, a former Pfizer employee and current analyst for the pharmaceutical and medical-device industries: *"Let me read between the lines for America. Biden's Sept. 12, 2022, executive order declares that Americans must surrender all human rights that stand in the way of transhumanism. Clinical trial safety standards and informed consent will be eradicated as they stand in the way of universally unleashing gene-editing technologies needed to merge humans with A.I. [Artificial Intelligence]. In order to achieve the societal goals of the New World Order, crimes against humanity are not only legal, but mandatory."*<sup>[v]</sup>

The EO signifies that people in the US will no longer have any rights to prevent the government using us to further research into changing humanity into something that differs radically from what God created. ... direct quote from the EO: *"We need to develop genetic engineering technologies and techniques to be able to write circuitry for cells and predictably program biology in the same way in which we write software and program computers...including through computing tools and artificial intelligence..."*<sup>[vi]</sup>

Will artificial intelligence (AI) really harm people? Consider the following:

- *In the paper which was published in the journal AI Magazine, the team — comprised of DeepMind senior scientist Marcus Hutter and Oxford researchers Michael Cohen and Michael Osborne — concluded that the answer to the long-standing question of whether a super-intelligent AI may go rogue and wipe out humans was that it was "likely".*
- *"Under the conditions we have identified, our conclusion is much stronger than that of any previous publication — an existential catastrophe is not just possible, but likely."*<sup>[vii]</sup>

Is it any wonder that Biden's handlers wrote the EO in such a way that no one would understand? This EO is satanic; it clearly comes from the one that Jesus described as a liar, a murderer, and a destroyer (John 8:44, 10:10). Satan's plan is to destroy humanity and we know that transhumanism is a key part of his agenda. It will move the world closer to the fulfillment of Jesus' words in Matthew 24:21-22.

**3. THE FOUR RIDERS OF THE APOCALYPSE.** The Bible tells us that after the Rapture of the church...
