John, the Church (24 Elders) in heaven worshipping and rejoicing that Jesus is worthy to open the scroll

Building a “Mark of the Beast” System

The second beast was given power to give breath to the image of the first beast, so that the image could speak and cause all who refused to worship the image to be killed. It also forced all people, great and small, rich and poor, free and slave, to receive a mark on their right hands or on their foreheads, so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name. Revelation 13:15-17
